

CAPABILITY STATEMENT

Acknowledgment of Country:

First Transport acknowledges Aboriginal Peoples as the Traditional Owners and Custodians of the lands on which we work and the lands on which our members conduct their business. We acknowledge their enduring connection to and continued custodianship of Country.

We pay our respect to our Ancestors, our first entrepreneurs, who built and maintained thriving economies through their connections to land, water and resources, and we honour their spirit in the work we do to overcome the inequity and economic loss our people have suffered as a result of colonisation, dispossession and exclusionary policies.

Concept In Business

First Transport is a leading Aboriginal-owned Transport company rooted in the heart of Victoria, Australia. With unwavering dedication, we bring forth a comprehensive array of services and innovative solutions tailored to the unique demands of complex sectors such as construction and waste, among others. Our clients sustain a sense of pride in embarking on our commitment towards empowering Aboriginal businesses and community. We are Kinaway Certified and Supply Nation Registered.

As a proudly Aboriginal-owned and led enterprise, we hold a profound commitment to both excellence and social progress. Our roots run deep within the Victorian Aboriginal community, and it is our steadfast belief that business success should be a catalyst for positive change. At First Transport, we channel our efforts into not only advancing within the industry but also driving tangible economic and social benefits for our Aboriginal community members. We have significant experience delivering on all Major Projects in Victoria. We have capabilities in general freight, complex and heavy haulage solutions.

About Us

Our Vision and Values:

Community Empowerment: We are resolute in our commitment to uplift the Aboriginal community by actively generating opportunities that transcend boundaries and elevate lives.

Innovation and Excellence: We believe in the power of innovation to redefine industry standards, and we relentlessly pursue excellence in every facet of our operations.

Environmental Stewardship: Recognizing our role in shaping the world around us, we approach every project with an unwavering dedication to environmental sustainability.

Collaboration and Inclusivity: We thrive on collaboration, building bridges of inclusivity to create an environment where diverse talents and perspectives flourish.

Our Services

Quality Assurance

Quality assurance is our core. We ensure the safety and reliability of our fleet, which includes Volvo 2021-2023 tandems, 3-axle and quad tippers, A-Doubles, B-Doubles and Prime Movers. Our commitment to rigorous and routine maintenance programs guarantees top-tier vehicle care.

Sustainability

At First Transport, we prioritize sustainability to reduce our environmental impact and enhance outcomes for our customers and communities. We minimize waste and emissions, and implement eco friendly practices for resource conservation, continuously seeking innovative ways to operate sustainably.

Safety

We prioritize our team, clients, and communities by upholding top safety and compliance standards. We routinely seek external reviews from industry experts for our Policies, Chain of Responsibility, and Driver Safety Manuals. Every aspect of our operations is designed for a safe work environment, enabling us to deliver high quality transport services with confidence.

Opportunity

We are building a stronger community by empowering Aboriginal Peoples through First Transport's dedicated Aboriginal Employment Program. This initiative promotes inclusive employment, helping build a better future for our communities.

Core Fleet

A core fleet of Tipper Trucks (tandems, 3-axles and quads), A-double and B-double trucks and standalone Prime Movers. We have additional equipment as required such as Drop Decks, Extendable, Flatbeds, Low Loaders and Tautliners

24/7 Workforce

Day and Night-time staff available to service client needs at all hours.

Experienced Operators

With unwavering commitment to service delivery, our workforce ensures experience, safety and communication are paramount.

Our Commitment

We are committed to:

- Creating opportunities for Aboriginal people to participate in training, education, and employment.
- Providing industry-leading solutions with a focus on flexibility and adaptability to meet evolving client requirements.
- Fostering a culture of safety, compliance, and continuous improvement across all aspects of our operations.
- Delivering high-quality, reliable, and on-time transport services tailored to our clients' specific needs.
- Building partnerships with industry leaders to drive innovation and operational excellence.
- Supporting sustainability through environmentally responsible transport and waste management practices.
